RE: UAW-GM Negotiations Update #4

Dear Union Brothers and Sisters:

All unsettled proposals are now at the Main Table and have been presented to General Motors, and we are awaiting their response. This back and forth will continue until Negotiations are complete.

The International Staff and your elected Bargaining Committee have been working countless hours to reach an Agreement on behalf of our Members, their families and all the communities affected by this strike.

We will continue to bargain this contract until your Bargaining Committee is satisfied that we have achieved an Agreement that properly addresses our Members’ concerns.

Thank you very much for your loyal support and the sacrifice you are making every day for what is just and right!

In solidarity,

Terry Dittes
Vice President and Director
UAW General Motors Department
